We are looking for an aide with some experience working with children and an interest in democratic education. The aide will work closely with Elena, our Middle teacher, to provide academic instruction and do special tasks. Qualities we are looking for include a passion for working with children, flexibility, patience, and self-motivation. Visit us on the web at [www.littleriverschool.org](http://www.littleriverschool.org) for more information about the school.

Little River provides a unique environment where students are trusted and seen as inherently self-motivated to learn about their world. Our teachers facilitate and support the student's quest for knowledge and understanding. Little River provides strong academic classes in a small group setting.
